*Not by might, nor by power, but by my Spirit, says the Lord of hosts. Zechariah 4:6*

December 1, 2008

God has blessed GTC with a success that goes way beyond its small budget. He has given this mission results that are in the realm of a miracle! We are thankful for the cooperation and support of the local churches and many volunteers in the mission field. Let us praise God together for the blessings of this past year:

1. Free theological conferences (20+ in 2008) were offered for pastors throughout Latin America
2. Two new MINTS seminaries were established in Buenos Aires and Urdinarain, Argentina.
3. Theological education was provided to thousands of students, mostly pastors, in all Latin America, via teachers and missionaries sent from and through Colombia.
4. MINTS centers were established in Venezuela affecting hundreds of pastors.
5. Pastors in Cuba now receive help for their theological education from Colombia.
6. Dr. R.C. Sproul's *Renewing Your Mind* is being broadcast in many Latin countries. Through the Ligonier/GTC effort, programs are translated and produced in Colombia, and educational materials are being prepared and distributed to all Latin America.
7. GTC promoted the formation of the Confraternity of Reformed Pastors and Leaders of Colombia.
8. In Colombia alone, 58 students graduated from the MINTS program, bringing the numbers beyond 250. Praise the Lord!
9. GTC identified national seminary graduates to serve as teachers and group leaders in different regions and countries throughout Latin America.
10. Hogar Providencia in Santa Marta continues caring for Chimila and street children, giving education, food and board to over one hundred youngsters.

11. National missionaries have taken the Gospel to hundreds of remote towns and regions.
12. More churches in the U.S. are sending helpers to teach and reach the people of Colombia via GTC.

All these commitments and responsibilities have compelled GTC to reorganize and tell the story regarding this remarkable reformation and revival of the churches in Latin America. This mission must be promoted so that our Sisters and Brothers in the United States and Canada will be able to help with this ministry.

We are glad to announce that God has provided, Mr. Gary Rogers as the new Director of Operations and Development. Gary will be happy to visit your church and organization to share the educational ministry of GTC. When they hear about

the way God has used GTC to revive the Church in Latin America, many Christians will be excited to help. When Gary joined GTC he stated that his *success expectation is only in the mercy of God... [his] hope is not in his qualifications, but in the might and the power of the Holy Spirit.* Please feel free to welcome and encourage Gary by writing to him at [grogers@gtcmission.org](mailto:grogers@gtcmission.org)

If you would like to send a GTC contribution in the memory of a dear one, or as a Christmas present to someone, we will honor your intentions by sending a card to the family or the person that you designate. No solicitation from that person will be made.

Feliz Navidad, amados hermanos en Cristo. Have a blessed Christmas!

*Bryant Skinner, Jr., President  
Noé S. Acosta, Executive Director*
