Bringing Biblical Seminary Education to Pastors and Church Leaders in Latin America

Woe to me if I do not preach the gospel! (I Corinthians 9:16b)

January 1, 2009

We pray that God will allow us this New Year to intensify efforts to transform the church in Latin America, by providing sound theological education to thousands of pastors and church leaders who, in turn, will faithfully proclaim the true gospel of Christ to millions on that continent. A student scholarship per year is \$180.

God has given us an army of over 250 seminary graduates who persevered through intense seminary training for a number of years, and, now, are equipped to serve as missionaries, teachers, pastors and Christian leaders, at the very low cost of \$6,000 per year. These servants are ready with sound biblical knowledge, profound convictions and Christian character. These are nationals who speak the language, know the culture and are not afraid to penetrate territories that Satan has occupied for many years.

We are pleading with you, Christian brethren, to support this effort with your prayers and financial assistance. This is a gospel opportunity that we just cannot miss. Please contact friends and relatives, and request permission for us to send them information about GTC. A presentation in your church or to your missions committee can also be arranged.

GTC is committed to send almost 100% of your contributions directly to the mission field. Very little money is used for administration purposes.

GTC offers opportunities to churches to send missionaries to South America. Through the short term missions program, as well as through the educational ministry of GTC, pastors and seminary graduates will have an open door to teach abroad, thus establishing enriching relationships with Christians in other Latin American countries.

As a special service to churches in the U.S., GTC offers free seminars for the purpose of training evangelicals to share the gospel with Roman Catholics in a loving, respectable and compassionate manner. Per request, GTC will provide compact disk copies of such seminars.

Sincerely in Christ,
