

GTC GOSPEL THROUGH COLOMBIA

Equipping church leaders in Colombia to proclaim the gospel throughout Latin America

Your kingdom come, Your will be done. Matt 6:10

July 8, 2010

Dear Brethren in Christ,

By the pure mercy of God, the moment that GTC has budgetary concerns, an explosion of gospel opportunities come knocking at our door. Our only limitation is poor faith to believe that our Father will provide, as He has done, just what He has designated according to His perfect will and sovereignty to cover the month to month necessities.

Please cry out to our heavenly Father in prayer that He will increase our faith and provide for the following GTC needs in the month of July:

- ❖ Safety and effective kingdom laboring for seven missionaries from St. Andrews Church of Sanford, FL, who, at no cost to GTC, will be going with me this month to Colombia.
- ❖ Effective outreach and clear communication as Pastor Burk Parsons and other speakers will be addressing over a thousand pastors in Bogotá and Medellín. Through this conference many pastors will be exposed to the doctrines of grace for the first time.
- ❖ Guidance by the Holy Spirit for national pastors and educational leaders as they engage in the development of Biblical Academies in different cities of Colombia. These Biblical Academies will be geared to the development of character, spiritual growth and accountability among pastors. The Academies will enroll no more than 50 pastors and church leaders per city, with a commitment to remain in the program for several years. They will meet for a full week, four times per year. During that week, they will study two subjects under the leadership of visiting professors and pastors. Besides their engagement in deep theological studies they will have the opportunity to pray together, exchange experiences and ideas, establish relationships, encourage each other to reform their churches and grow in the knowledge of God, His Word, and true shepherding in the church of Christ. There will be a nine-week continuous study after each module. These Academies will not replace the great job that GTC and MINTS seminary are doing, as theological education, provided through conferences and courses to literally thousands in Latin America, will continue, Lord willing.
- ❖ Funds to provide for the financial needs of the Academies. Each module for 50 pastors will require a financial assistance of \$2,500.00.
- ❖ Protection and effective labor for Pastor Dr. Ismael Quintero who, from Colombia, moved with his family to Brazil, where he established several seminary centers and is arranging to bring theological education to pastors in many towns and cities in the jungles of that gigantic country.

May your prayers and financial support glorify God as His Kingdom comes to South America.

Sincerely in Christ,
Bryant Skinner, Jr., President
